Miscellaneous Songs

I've Decided

for Voice, String Quartet, and Keyboard

PROGRAM NOTES

The ten *Miscellaneous Songs* are for unspecified voice (optionally amplified), keyboard (preferably electronic) and string quartet. They are decidedly postmodern in style, tending to deal with the present in terms of the past and the past in terms of the present. The musical idiom ranges from a crunchy chromaticism to a lilting diatonic sweetness. Despite a degree of unity in this stylistic disunity, the songs do not constitute a cycle or even a set: one to all ten may be sung in any order as the singer(s) choose.

The texts to the *Miscellaneous Songs* deal with various contemporary ideas, from our increasingly administrated robotic lives in *Function* and the constant interruptions brought on by technology in *Discontinuous*, to a pleasant dream of escape in *Dolce Far Niente*.

Sound in My Head and *I've Decided* are, in their self-absorption, songs to oneself. *Is This a Love Song*, if not exactly self-absorption, is a self-dialog, less about the impossibility of love than about the impossibility of yet another love song. *To Write a Song* carries our millennial skepticism a step further and questions the writing of any song — except, of course, one on the subject of writing a song. *I've Never Talked to a Tree* is a doubly-coded song, sincere and satirical at the same time.

I Have Nothing to Say, a modular song, is based on John Cage's famous statement, permuted into a poem by the Scottish poet Edwin Morgan. *JNNY* is a setting of a pop tune and lyric by composer Todd Merrell (with a word and note changed here and there).

PERFORMANCE NOTES

- Voice part may be amplified
- Keyboard part may be performed on an acoustic piano, electric piano, or synthesizer. The various synthesizer patches are described below.
- Patches (and patch changes) are indicated in the Keyboard part by a number in a box **1**
Is This a Love Song uses only one patch:

1: Synth chiff ensemble/pan flute

- A reference cassette (or DAT) of synthesizer sounds (as part of a sequencer "performance") is available from the publisher. This recording may be used by the singer in preparing for performance.
- Parts are available from the publisher:

til the long time by my-self has made me most-ly de-ter-mined Then I might know—

The first system of music features a vocal line on a treble clef staff with a key signature of one sharp (F#) and a 4/4 time signature. The lyrics are: "til the long time by my-self has made me most-ly de-ter-mined Then I might know—". The piano accompaniment consists of four staves: two treble clef staves and two bass clef staves. The piano part includes a melodic line in the upper treble staff and a bass line in the lower bass staff. Dynamics include *p* (piano) and *mp* (mezzo-piano). A measure number of 30 is indicated at the beginning of the piano accompaniment section.

— what's al-read-y been de-cid-ed by the oth-ers and why no-bod-y told me when the train is turn-ing

The second system of music continues the vocal line and piano accompaniment. The lyrics are: "— what's al-read-y been de-cid-ed by the oth-ers and why no-bod-y told me when the train is turn-ing". The piano accompaniment continues with the same four-staff structure. The time signature changes to 3/4 for the first two measures of the system, then returns to 4/4. Dynamics include *p* (piano) and *mp* (mezzo-piano). A measure number of 33 is indicated at the beginning of the piano accompaniment section.
